

I love walking through the shark tunnel at the London Aquarium.

Have you seen Tim Peake's space capsule at the Science Museum?

My favourite view of London is from the London Eye.

Get a photograph with royalty or Justin Bieber at Madam Tussauds.

You might get to see the King if you visit Buckingham Palace!

You must go and see the Crown Jewels at the Tower of London.

Visit the War Rooms, where Churchill planned his attacks.

Take a selfie with a tiger at London Zoo. But don't get too close!!
