

We need your help!

The Mayor's Fund For London charity is looking for young people to get creative and design a new Create and Make kit.

The winning design will be developed and printed onto future boxes!

What you'll need to do:

- Design a new Create & Make box either on paper with pens, or digitally. Feel free to use our template.
- You can design in a group or on your own
- Make sure it says 'Create & Make' somewhere on the box
- Submit your idea by [include date]
- Email your design to bfitzroy@mayorsfundforlondon.org.uk

Remember to think about what you would like to see on a Create & Make box!
